

Guidance for Gatherings of Up To Fifty (50) People

Groups of up to fifty (50) people may begin gathering on June 29, 2020.

- If you are a member of a group particularly vulnerable to COVID-19 (individuals with conditions identified by the CDC as higher risk or those over 65 years old), public health experts recommend that you continue to avoid any in-person gatherings and remain Healthy At Home.
- If you host or attend a gathering of up to fifty (50) people under circumstances not otherwise explicitly addressed by other Healthy at Work guidance, please follow this document.

Groups Must

- Communicate to individuals to stay home if sick and not attend a group event;
- Remain at least six (6) feet apart from people who are not a part of your household;
- Wear a cloth face covering or mask over your nose and mouth if you will be closer than six (6) feet to someone outside your own household;
- Wash or sanitize hands frequently;
- Screen and exclude persons with fever, symptoms of COVID-19, and/or direct exposure to COVID-19; and
- Not share food, drink, containers, plates, napkins, or utensils.

Groups Should:

- Remain Healthy at Home to the greatest extent practicable and socialize via Internet, telephone, and other means that allow people to engage in appropriate social distancing;
- Limit the gathering size to the smallest number of people practicable;
- Hold the gathering outside whenever possible;
- Discourage people from sharing items in any gathering, including tools, sporting equipment, vehicles, cooking/grilling ware, and other high-touch objects;
- Avoid touching eyes, nose, or mouth; and
- Post signs (physical and/or electronic) whenever practicable that discourage handshakes, “high-fives,” and other direct person-to-person contact during the gathering as a way of decreasing the social pressure to engage in these common behaviors.
