

P-EBT Address Information List

Updated September 24, 2020

In partnership with the Oregon Department of Education (ODE) Child Nutrition Programs (ODE CNP), the Oregon Department of Human Services (ODHS) is working to distribute Pandemic Electronic Benefits (P-EBT) to students who attend schools that participate in the National School Lunch Program and received free or reduced-price meals.

To find out if your school has submitted address information to the ODE, [click here](#). Once the files information is received, ODE shares it with ODHS so that P-EBT benefits can be issued. The list below is updated with information from ODE and with where ODHS is in issuing P-EBT benefits.

***If you are in a school district marked as complete and did not receive your benefits by September 15, 2020, please contact ebt.schoolmeals@dhsosha.state.or.us. For those school districts marked as in progress, benefits have been issued and ODHS is working to send EBT cards. This progress has been slowed due to wildfires and ODHS Office closures, please contact ebt.schoolmeals@dhsosha.state.or.us if you have not received a card.
