

## **Requirements for Manufacturing, Distribution, and Supply Chain Businesses**

In addition to the Healthy at Work [Minimum Requirements](#), **manufacturing, distribution, and supply chain businesses** must meet the requirements below in order to reopen and remain open:

### **Social Distancing Requirements**

- Businesses must ensure that each employee is able to maintain six (6) foot distance between themselves and others for their entire shift. Controls must be established and maintained when six (6) feet of physical distancing is not feasible. This includes installation of portable or permanent non-porous physical barriers (e.g., plexiglass shields), high-efficiency air filters, increased ventilation, or PPE. Production practices should be modified, to the greatest extent practicable, to enforce adequate social distancing.
- Businesses should, to the greatest extent practicable, stagger the schedules for work shifts, breaks, and lunches to reduce the number of employees on-site, entering, exiting, or gathering at one time. This also reduces the number of employees simultaneously reporting to time clock stations to record their work and break time.
- Businesses should consider an alternative to a high-touch time clock system. If using an alternative system is not possible, the businesses should sanitize the time clock system after each use.
- Businesses should seek to limit activities that require employees to enter within six (6) feet or less of another person, regardless of whether they have installed non-porous, physical barriers.
- Businesses must ensure that all gatherings are kept to a minimum, appropriate social distancing is observed at all times, and meetings are held by telephone or video conferencing to the greatest extent practicable.
- Businesses must restrict access to common areas in order to maximize social distancing and reduce congregating. These common areas include, but are not limited to, waiting rooms, breakrooms, water fountains, and vending areas. Businesses restricting access to water fountains must provide alternative water sources for employees in lieu of water fountains.
- Businesses must ensure minimal interaction between drivers at loading docks, doorsteps, or other locations.

- Businesses must reduce traffic and congregating, to the greatest extent practicable, in locker rooms and changing rooms. Lockers may be used but should be cleaned and sanitized consistent with CDC guidelines. Lockers should not be shared.
- Businesses must ensure, where applicable, limitations on use and number of people riding in a vehicles together. If more than one person in a vehicle is unavoidable, then employees should maximize social distancing and wear face coverings in the vehicle. Employers are required to thoroughly sanitize company vehicles after any employees were inside.

## **Cleaning and Disinfecting Requirements**

- Businesses must ensure cleaning and sanitation of frequently touched equipment, tools, objects, and surfaces with appropriate disinfectants. Appropriate disinfectants include EPA registered household disinfectants, diluted household bleach solution, and alcohol solutions containing at least 60% alcohol. Businesses must establish a cleaning and disinfecting process that follows CDC guidelines when any individual is identified, suspected, or confirmed COVID-19 case.
- Businesses must ensure that shared touched surfaces must be cleaned on a recurring basis consistent with CDC guidelines. This includes, but is not limited to: vehicle/equipment door handles; keys; gear shifts; steering wheel/operator controls and levers; door knobs; light switches; phones; computers/keyboards; copiers; elevator buttons; toilets; faucets; sinks; countertops; paper towel dispensers; desktops; handrails; counters; tables; and cabinets and knobs.
- Businesses must ensure that employees wipe their workstations down with disinfectant at the end of their shift or at any time they discontinue use of their workstations for a significant period of time.
- Businesses must ensure that disinfecting wipes or other disinfectant are available at shared equipment.
- Businesses, as appropriate, must ensure that workers do not use cleaning procedures that could re-aerosolize infectious particles. This includes, but is not limited to, avoiding practices such as dry sweeping or use of high-pressure streams of air, water, or cleaning chemicals.

## **Personal Protective Equipment (PPE) Requirements**

- Businesses must ensure that appropriate face coverings and other personal protective equipment (PPE) is used by employees so long as such use does not jeopardize the employees' health or safety. Businesses must train employees to use PPE. This training includes: when to use PPE; what PPE is necessary; and how to properly put on, use, and remove PPE.

- ❑ Businesses must train employees to properly dispose of or disinfect PPE, inspect PPE for damage, maintain PPE, and the limitations of PPE.
- ❑ Businesses must follow CDC, OSHA, and other federal guidelines relating to gloves for managers and employees.
- ❑ Pursuant to Executive Order 2020-586 and 902 KAR 2010E, which are attached to this document, all businesses must ensure that all customers, vendors, contractors, and any other member of the public who enters the premises wear a face covering so long as they are not subject to any of the exemptions listed in the Executive Order.

If any person attempts to enter the business without a face covering, the business must inform them of the requirement to wear a face covering. If the individual refuses and is not subject to any of the exemptions listed in the Executive Order, the individual must not be permitted entry onto the premises.

If an individual who was previously wearing a face covering removes it while on the premises and not subject to any of the exemptions listed in the Executive Order, the business must ask them to put it back on. If the individual refuses to do so, the business must not provide them service and must ask them to leave.

Businesses who fail to follow these requirements of the Executive Order will be subject to a fine and may also be subject to an order from a local health department or the Labor Cabinet requiring immediate closure.”

## **Training and Safety Requirements for Manufacturing Businesses**

- ❑ Businesses must make available and post information to reinforce Healthy at Work requirements. Businesses must provide special accommodations for employees for persons at higher risk for severe illness per CDC guidelines. These guidelines are available at: <https://www.cdc.gov/coronavirus/2019-ncov/faq.html#Higher-Risk>
- ❑ Businesses must ensure that employees are instructed to avoid touching their faces, including their eyes, noses, and mouths, particularly until after they have thoroughly washed their hands upon completing work and/or removing PPE, to the greatest extent practicable.
- ❑ Businesses must ensure that employees are informed that they may identify and communicate potential improvements and/or concerns in order to reduce potential risk of exposure at the workplace. All education and training must be communicated in the language best understood by the individual receiving the education and training.

**GOVERNOR**

**EXECUTIVE ORDER**

**Secretary of State**  
Frankfort  
Kentucky

**2020-586**  
**July 9, 2020**

**STATE OF EMERGENCY**

**WHEREAS**, the novel coronavirus (COVID-19) is a respiratory disease causing mild to very severe illness, including death, and many cases of COVID-19 have been confirmed in the Commonwealth; and

**WHEREAS**, dozens of states across the nation have begun to experience sharp increases in COVID-19 infection, and Kentucky has begun to report its highest numbers of new cases since the beginning of the pandemic; and

**WHEREAS**, Kentuckians have begun increasing their number of contacts as well as traveling outside the state to areas with higher infection rates and then returning to Kentucky; and

**WHEREAS**, the United States and Kentucky are experiencing an increase in COVID-19 infection rates among younger people, including children; and

**Cases In Kentucky Are On The Rise**

**WHEREAS**, Kentucky has 17,919 reported cases of COVID-19 and 608 Kentuckians have died from COVID-19, including 402 new cases and six deaths on July 8, 2020; and

**WHEREAS**, Kentucky reported its highest weekly total of COVID-19 cases for the week of June 29 through July 5, 2020, with 1,675 new cases; and

**WHEREAS**, COVID-19 is impacting Kentuckians of all ages, including younger Kentuckians. 510 Kentuckians ages 0-9, and 1,013 Kentuckians ages 10-19 have tested positive for COVID-19; and

**ANDY BESHEAR**  
**GOVERNOR**

**EXECUTIVE ORDER**

**Secretary of State**  
Frankfort  
Kentucky

**2020-586**  
**July 9, 2020**

**Cases In the United States Are On The Rise**

**WHEREAS**, on July 8, 2020, America had more than 3,000,000 cases of COVID-19, and a one-day record 60,021 new cases were reported on July 7, 2020. More than 132,000 Americans have died from COVID-19; and

**WHEREAS**, hospitals in other states are experiencing increases in COVID-19 patients and hospital intensive care units are reaching capacity. In Arizona, more than ninety percent (90%) of its ICU beds were filled as reported on July 8, and Florida has at least 56 hospital intensive care units at capacity. In California, hospitalizations have increased fifty percent (50%) from two weeks ago. The Georgia Emergency Management and Homeland Security reported that only eighteen percent (18%) of critical care hospital beds remain available and only seventeen percent (17%) of inpatient beds are available, and in Savannah, Georgia, hospitalizations have nearly quadrupled. On July 8, 2020, Louisiana reported that ninety-five percent (95%) of its 1,891 new cases were from community spread; and

**WHEREAS**, in the State of Texas, 1,335 people have tested positive for COVID-19 from childcare facilities, consisting of 441 children and 894 staff members. In North Carolina, earlier this week nine children and two staff members at a Charlotte child care facility tested positive for COVID-19, according to the state's dashboard tracking COVID-19 "clusters"; and

**Face Coverings Are Effective In Slowing The Spread Of COVID-19**

**WHEREAS**, numerous recent medical studies have shown that the use of face coverings can decrease the spread of respiratory droplets from people; and

**GOVERNOR**

**EXECUTIVE ORDER**

**Secretary of State**  
Frankfort  
Kentucky

**2020-586**  
**July 9, 2020**

**WHEREAS**, based on these studies, the wearing of face coverings has been found by both the Centers for Disease Control and Prevention and the Kentucky Department for Public Health to help prevent the further spread of COVID-19; and

**WHEREAS**, numerous federal leaders of both parties, including Vice President Mike Pence, Senator Mitch McConnell, and Surgeon General Jerome Adams, have also urged the American public to wear face coverings; and

**Face Coverings Are Effective In Protecting The Economy**

**WHEREAS**, an economic analysis by Goldman Sachs indicates that the national economy could experience an additional 5% drop in gross domestic product if face coverings are not mandated, which would amount to an economic loss for Kentucky of about \$10 billion; and

**WHEREAS**, the Retail Industry Leaders Association, which represents 9 of the top 10 retailers in the nation, comprising more than 100,000 stores and millions of jobs, recently urged the governors of all states to mandate the wearing of face coverings when in public settings; and

**WHEREAS**, at the time of this Order, at least 22 states have followed the recommendations discussed above and required members of the general public to wear face coverings in various public settings, including the neighboring states of Illinois, Ohio, and West Virginia; and

**WHEREAS**, the Kentucky Constitution and Kentucky Revised Statutes, including, but not limited to, KRS Chapter 39A, empower me to exercise all powers necessary to promote and secure the safety and protection of the civilian population; and

ANDY BESHEAR  
GOVERNOR

EXECUTIVE ORDER

Secretary of State  
Frankfort  
Kentucky

2020-586  
July 9, 2020

WHEREAS, under those powers, I declared by Executive Order 2020-215 on March 6, 2020, that a State of Emergency exists in the Commonwealth. The State of Emergency continues:

NOW, THEREFORE, I, Andy Beshear, Governor of the Commonwealth of Kentucky, by virtue of authority vested in me pursuant to the Constitution of Kentucky and KRS Chapter 39A, do hereby Order and Direct the following:

1. For the purposes of this order, a “face covering” is a material that covers the nose and mouth and is secured to the head with ties, straps, or loops over the ears, or is wrapped around the lower face. It can be made of a variety of materials, including cotton, silk, or linen, and ideally has two or more layers. Face coverings may be factory-made, homemade, or improvised from household items such as scarfs, bandanas, and t-shirts. Guidance on how to make a face covering at home is available at: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/how-to-make-cloth-face-covering.html>.
2. The provisions of this Order shall apply to members of the public in Kentucky. Existing sector specific requirements mandating face coverings for employees of entities in the Commonwealth remain in effect and are available online at: <https://healthyatwork.ky.gov>.
3. People in Kentucky must cover their nose and mouth with a face covering when they are in the following situations that represent a high risk of COVID-19 transmission:
  - a. While inside, or waiting in line to enter, any: retail establishment; grocery store; pharmacy; hair salon/barbershop; nail salon/spa; tattoo parlor; child care facility; restaurant or bar (when not seated and consuming food or beverage); health care setting, or; any other indoor public space in which it is difficult to maintain a physical distance of at least six feet from all individuals who are not members of that person’s household;
  - b. While waiting for or riding on public transportation or paratransit, or while riding in a taxi, private car service, or ride-sharing vehicle,

**ANDY BESHEAR  
GOVERNOR**

**EXECUTIVE ORDER**

**Secretary of State**  
Frankfort  
Kentucky

**2020-586  
July 9, 2020**

or driving any of the above while customers are present; or

- c. While in outdoor public spaces in which the person cannot maintain a physical distance of six feet from all individuals who are not members of the person's household and is not otherwise covered by previously issued guidance.

4. The following are exempt from wearing face coverings:

- a. Children who are age 5 or younger;
- b. Any person with disability, or a physical or mental impairment, that prevents them from safely wearing a face covering;
- c. Any person who is hearing impaired, or communicating with a person who is hearing impaired, where the ability to see the mouth is essential to communication;
- d. Any person engaged in work that a state or federal regulator has concluded would make wearing a face covering a risk to their health or safety;
- e. Any person who is seated and actively consuming food or beverage at a restaurant, bar, or other establishment that offers food or beverage service;
- f. Any person who is obtaining a service that requires temporary removal of the face covering in order to perform the service;
- g. Any person who is required to temporarily remove their face covering to confirm their identity or for security or screening purposes;
- h. Any person who is giving a speech or broadcast to an audience and is able to maintain a safe distance of six feet from all individuals who are not members of the person's household;

ANDY BESHEAR  
GOVERNOR

**EXECUTIVE ORDER**

**Secretary of State**  
Frankfort  
Kentucky

**2020-586**  
**July 9, 2020**

- i. Any person who is in a swimming pool, lake, or other body of water;
  - j. Any person who is actively engaged in exercise in a gym or indoor facility so long as six or more feet of separation between individuals exists, and where the gym or indoor facility engages in required cleaning;
  - k. Any person who is actively participating in athletic practice, scrimmage, or competition that is permitted under separate Healthy at Work requirements or guidance available online at: <https://healthyatwork.ky.gov>; or
  - l. Any person who is engaged in a lawful activity where federal or state law prohibits wearing a face covering.
5. Failure to follow the requirements provided in this Order and any other Executive Order and any Cabinet Order, including but not limited to the Orders of the Cabinet for Health and Family Services, is a violation of the Orders issued under KRS Chapter 39A and must result in a loss of access to a business's services.
  6. The Secretary of the Cabinet for Health and Family Services, pursuant to KRS 194A.010, KRS 194A.025, KRS 211.025, KRS 214.020, KRS 39A.180, KRS 12.270(2), KRS 13A.190, and other applicable law, shall promulgate an emergency administrative regulation consistent with this Order.
  7. All local, county, and city government offices and agencies are encouraged to adopt or incorporate the requirements provided in this Order.
  8. Nothing in this Order should be interpreted to interfere with or infringe on the powers of the legislative and judicial branches, or other constitutional officers to perform their constitutional duties or exercise their authority. However, the legislative and judicial branches, and other constitutional officers, are encouraged to adopt or incorporate the requirements provided in this Order.
  9. Failure to follow the requirements provided in this Order and any other Executive Order and any Cabinet Order is a violation of the Orders issued under KRS Chapter 39A and could subject a person or entity violating the Orders to penalties as authorized by law.

MICHAEL G. ADAMS  
Secretary of State

**STATEMENT OF EMERGENCY  
902 KAR 2:190E**

This emergency administrative regulation is being promulgated to establish actions that the Department for Public Health may take in response to a declared national or state emergency. These actions include enhancing prevention of the spread of the infectious disease COVID-19 by wearing a face covering in public, subject to certain exceptions. This emergency administrative regulation is needed pursuant to KRS 13A.190(1)(a)1. and 4. to meet an imminent threat to public health, safety and welfare, and to protect human health. This emergency administrative regulation will not be replaced by an ordinary administrative regulation as these measures are in direct response to the declared state public health emergency.

4 (New Emergency Administrative Regulation)

5 902 KAR 2:190E. Covering the Face in Response to Declared National or State  
6 Public Health Emergency.

7 RELATES TO: KRS 39A.180, 211.180(1), 214.010, 214.645, 333.130

8 STATUTORY AUTHORITY: KRS 194A.010, KRS 194A.025, KRS 194A.050(1), KRS  
9 211.025, KRS 211,180(1), KRS 214.020, KRS 39A.180, KRS 12.270(2)

10 NECESSITY, FUNCTION, AND CONFORMITY: KRS 214.020 requires the Cabinet  
11 For Health and Family Services to take action, promulgate, adopt, and enforce rules  
12 and regulations, it deems efficient in preventing the introduction or spread of infectious  
13 or contagious disease within this state. KRS 211.025 requires the cabinet to perform  
14 actions reasonable necessary to protect and improve the health of the people. KRS  
15 211.180(1) requires the cabinet to enforce administrative regulations to control  
16 communicable diseases. This administrative regulation establishes requirements for  
17 face covering in response to a declared national or state public health emergency.

18 Section 1. Definition. (1) "Face covering" means a material that covers the nose and  
19 mouth and is secured to the head with ties, straps, or loops over the ears, or is wrapped  
20 around the lower face. It can be made of a variety of materials, including cotton, silk, or  
21 linen, and ideally has two or more layers. Face coverings may be factory-made,  
22 homemade, or improvised from household items such as scarfs, bandanas, and t-shirts.

23 Section 2. Scope of Covering the Face in Response to Declared National or State

1 Public Health Emergency. (1) The provisions of this Order shall apply to members of the  
2 public in Kentucky. Existing sector-specific requirements mandating face coverings for  
3 employees of entities in the Commonwealth remain in effect and are available online at:  
4 <https://healthyatwork.ky.gov>.

5 (2) Except as provided by subsection (3) of this section, each person in Kentucky  
6 must cover their nose and mouth with a face covering when they are in the following  
7 situations:

8 (a) While inside, or waiting in line to enter, any: retail establishment; grocery store;  
9 pharmacy; hair salon/barbershop; nail salon/spa; tattoo parlor; child care facility;  
10 restaurant or bar (when not seated and consuming food or beverage); health care  
11 setting, or; any other indoor public space in which it is difficult to maintain a physical  
12 distance of at least six feet from all individuals who are not members of that person's  
13 household;

14 (b) While waiting for or riding on public transportation or paratransit, or while riding  
15 in a taxi, private car service, or ride-sharing vehicle, or driving any of the above while  
16 customers are present, or;

17 (c) While in outdoor public spaces in which the person cannot maintain a physical  
18 distance of six feet from all individuals who are not members of the person's household  
19 and is not otherwise covered by previously issued guidance.

20 (4) The following are exempt from wearing face coverings:

21 (a) Children who are age 5 or younger;

22 (b) Any person with disability, or a physical or mental impairment, that prevents  
23 them from safely wearing a face covering;

1 (c) Any person who is hearing impaired, or communicating with a person who is  
2 hearing impaired, where the ability to see the mouth is essential to communication;

3 (d) Any person engaged in work that a state or federal regulator has concluded  
4 would make wearing a face covering a risk to their health or safety;

5 (e) Any person who is seated and actively consuming food or drink at a restaurant,  
6 bar, or other establishment that offers food or beverage service;

7 (f) Any person who is obtaining a service that requires temporary removal of the  
8 face covering in order to perform the service;

9 (g) Any person who is required to temporarily remove their face covering to  
10 confirm their identity or for security or screening purposes;

11 (h) Any person who is giving a speech or broadcast to an audience and is able to  
12 maintain a safe distance of six feet from all individuals who are not members of the  
13 person's household;

14 (i) Any person who is in a swimming pool, lake, or other body of water;

15 (j) Any person who is actively engaged in exercise in a gym or indoor facility so  
16 long as six or more feet of separation between individuals exists, and where the gym or  
17 indoor facility engages in required cleaning;

18 (k) Any person who is actively participating in athletic practice, scrimmage, or  
19 competition that is permitted under separate Healthy at Work requirements or guidance  
20 available online at: <https://healthyatwork.ky.gov>, or;

21 (l) Any person engaged in a lawful activity where federal or state law prohibits  
22 wearing of a face covering.

23 Section 3. Non-Compliance. (1)(a) The requirements of this administrative

1 regulation that pertain to a business or other public-facing entity shall be enforced by  
2 the Labor Cabinet, the Department for Public Health, another state regulatory agency,  
3 and each local health department. As it pertains to individuals, this regulation will be  
4 enforced by state and local law enforcement authorities, as required by KRS 39A.180.

5 (2) Any person who violates this Regulation by failing to wear a face covering while  
6 in a location listed in Section 2 and not subject to any of the listed exemptions shall  
7 receive a warning for the first offense, a fine of fifty dollars (\$50) for the second offense,  
8 seventy-five dollars (\$75) for the third offense, and one hundred dollars (\$100) for each  
9 subsequent offense. Additionally, if the person is violating this Regulation by attempting  
10 to enter a public-facing entity or mode of transportation listed in Section 2 while failing to  
11 wear a face covering and not subject to any of the exemptions listed, they shall be  
12 denied access to that public-facing entity or mode of transportation. If a person is  
13 already on the premises and violates this Regulation by removing a face covering, they  
14 shall be denied services and asked to leave the premises, and may be subject to other  
15 applicable civil and criminal penalties.

16 (3) Any owner, operator or employer of a business or other public-facing entity  
17 who violates this Regulation by permitting individuals on the premises who are not  
18 wearing a face covering and are not subject to any exemption shall be fined at the rates  
19 listed in section 3(2). The business may also be subject to an order requiring immediate  
20 closure.

21 Section 4. Effective Date. This regulation is effective at 5 p.m. on July 10, 2020, for a  
22 period of 30 days, and is subject to renewal.

23 Section 5. Reference. Guidance on how to make a face covering at home is available

**PUBLIC HEARING AND PUBLIC COMMENT PERIOD:**

A public hearing on this administrative regulation shall, if requested, be held on September 28, 2020, at 9:00 a.m. in Suites A & B, Health Services Building, First Floor, 275 East Main Street, Frankfort, Kentucky, 40621. Individuals interested in attending this hearing shall notify this agency in writing by September 21, 2020, five (5) workdays prior to the hearing, of their intent to attend. If no notification of intent to attend the hearing is received by that date, the hearing may be canceled. This hearing is open to the public. Any person who attends will be given an opportunity to comment on the proposed administrative regulation. A transcript of the public hearing will not be made unless a written request for a transcript is made. If you do not wish to be heard at the public hearing, you may submit written comments on this proposed administrative regulation until September 30, 2020. Send written notification of intent to attend the public hearing or written comments on the proposed administrative regulation to the contact person. Pursuant to KRS 13A.280(8), copies of the statement of consideration and, if applicable, the amended after comments version of the administrative regulation shall be made available upon request.

**CONTACT PERSON:** Donna Little, Deputy Executive Director, Office of Legislative and Regulatory Affairs, 275 East Main Street 5 W-A, Frankfort, KY 40621; Phone: 502-564-6746; Fax: 502-564-7091; [CHFSregs@ky.gov](mailto:CHFSregs@ky.gov).

## REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Administrative Regulation: 902 KAR 2:190E

Agency Contact: Julie Brooks, (502) 564-3970, julied.brooks@ky.gov or Donna Little, (502) 564-6746, CHFSregs@ky.gov

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation requires the wearing of face coverings at specific events and locations in the Commonwealth of Kentucky to prevent the spread of COVID – 19 during the declared national or state public health emergency.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to ensure the health and safety of the citizens of the Commonwealth during the current national or state public health emergency.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 194A.050, 194A.010, KRS 194A.025, KRS 211.025 and KRS 214.020 authorize the Cabinet for Health and Family Services to take action to protect the health and welfare of the citizens of the Commonwealth and to adopt regulations and to take other action to prevent the spread of disease in the Commonwealth.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation will prevent the spread of COVID-19 in the Commonwealth and will protect the health and welfare of the citizens of the Commonwealth during the declared national and state public health emergency.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this administrative regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statutes: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This is a statewide administrative regulation that could potentially affect the entire population of the Commonwealth. This administrative regulation also impacts all Kentucky businesses, organizations and governments.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in questions (3) will have to take to comply with this administrative regulation or amendment: Citizens of the Commonwealth will be required to wear face coverings in certain places and venues to prevent the spread of COVID-19. A business or other public-facing entity shall not permit an individual on the premises who is not wearing a face covering and who is not subject to any exemption.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the identities identified in question (3): The costs of this regulation is unknown at this time.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): As a result of compliance with this administrative regulation, the health and welfare of the citizens of the Commonwealth will be protected during the current declared national and state public health emergency. Compliance with this regulation will prevent the spread of COVID-19.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no costs to implement this administrative regulation initially.

(b) On a continuing basis: There will be no ongoing costs for implementation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: No funding will be necessary.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new or by the change, if it is an amendment: An increase in fees or funding is not needed to implement this administrative regulation.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees. This administrative regulation does not establish fees.

(9) TIERING: Is tiering applied? (Explain why or why not.) Tiering is applied in this administrative regulation as Section 3 of this administrative regulation establishes a number of exemptions to the general requirements in Section 2 of this administrative regulation regarding mandatory face coverings.

## FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

Administrative Regulation: 902 KAR 2:190E

Agency Contact: Julie Brooks, (502) 564-3970, julied.brooks@ky.gov or Donna Little, (502) 564-6746, CHFSregs@ky.gov

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? This administrative regulation will impact the Cabinet for Health and Family Services, and all state or local governments that are public-facing or that regulate businesses or public-facing entities.

2. Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 194A.010, 194A.025, 211.025, 214.020, 39A.180, 12.270(2) and 13A.190.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? This administrative regulation does not generate revenue.

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation does not generate revenue.

(c) How much will it cost to administer this program for the first year? This administrative regulation will have no impact on costs.

(d) How much will it cost to administer this program for subsequent years? This administrative regulation will have no impact on costs.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.
