

# COVID-19 Contact Tracing

# MYTHS AND FACTS

## MYTHS

Contact Tracing is the government tracking my movements

Contact Tracers will come to my home and isolate me from my family

Health Departments are collecting information to report to immigration and law enforcement and Child Protective Services

I will be asked about benefits, income, passwords, and other private information

## FACTS

Contact Tracing is a common public health tool used to track and slow the spread of diseases

Contact Tracers will call you and help monitor your symptoms and ask that you quarantine or isolate

Health Departments are only collecting important information, including potential contacts exposed to COVID-19

You will only be asked questions as it relates to your health and well-being
